---

Kathleen,

I have reviewed the attached monthly report/invoice and recommend that the invoice be approved. Several notes on this: the invoice covered the month of October (10/2/14 to 11/3/14) and represents work under the initial Work Authorization to provide comments on the draft FS Report; and the work for the amended Work Authorization was initiated on 11/4/2014, the date when the USACE received the model from the San Jacinto Potentially Responsible Parties. The USACE's first report, covering Tasks 2 through 6 is due 11 weeks after initiation, or by 1/20/2015.

We should be receiving the next monthly report/invoice, for the month of November, within several weeks.

Regards,

Gary Miller  
EPA Remedial Project Manager
